Amended December 7, 2021

The Library contracts on an annual basis with the **Northwest Cultural Council (NWCC)** to provide artwork to display in the upper level art gallery of the library. This area comprises the wall space from the Administrative Offices to the elevator to the Board Room and on to the Community Room.

Some of the terms of the contract include, but are not limited to:

- The Library does not insure the artwork supplied;
- The existing “Walker System” will be used to display the artwork;
- The Library does not facilitate the sale of artwork or allow prices to be displayed on the artwork; however, contact information and a price list will be available upon request at the Welcome Desk;
- When the Library is used as a local, state or federal polling place, any artwork which does not comply with election laws may be removed by the Library at the request of election officials;
- Coordination of NWCC artwork will be done by the Director of Special Services;
- While the Library retains the right to preview all artwork before installation, for practical reasons, the usual process may involve review by the Director of Special Services during or after installation;
- The determination that artwork is not acceptable for exhibit in the Library will be made by the Executive Director;
- If the artwork is not acceptable for display in the Library, seven days will be allowed to remedy compliance issues. During this time, the Library may choose to remove any non-complying artwork from view.

Board Professional Development

Page 1 of 1

Amended February 19, 2024

Thoughtful and informed governance of a public library obligates each Board member to be familiar with the legal, technological, and budgetary issues now facing public libraries. Although staff is trained to deal with questions specific to public library administration, Board members, as ultimate decision makers for the institution, will benefit from the opportunity to expand their knowledge of increasingly complex library issues. The Board recognizes that it can benefit greatly from professional development opportunities offered by organizations such as the American Library Association and the Public Library Association. The guidelines below will help the Board Development Committee allocate available professional development funds and provide adequate funding for future budget requests.

1. An amount not to exceed 1.25% of the Library's annual operating budget should be allocated for Board / Staff professional development.
2. The purposes for which professional development funds are to be used for the Board are ranked in order of importance as follows:

Priority 1: development of skill sets necessary for core Board responsibilities (ex: a financial management seminar for the Treasurer or a seminar on the Open Meetings Act for the President or Secretary)

Priority 2: meetings that deepen the Board Members' understanding of and connection to the library profession as a whole (ex: attending Public Library Association meetings or the annual meeting of the American Library Association)

Priority 3: development of skill sets not currently present or fully developed on the Board (ex: a seminar on legislative lobbying, marketing, or public relations)

Book & Other Material Displays

Amended December 7, 2021

Book & Other Material Displays In The Library

Displays are marketing tools for the library. The purpose of displays in the library is to highlight materials that have the potential to significantly increase circulation while not distracting residents from our mission. Displays that hold the potential for a high level of controversy threaten the library's mission and non-partisan standing in the community. The library should avoid using displays to advance any political or social agenda of the Board, staff, or any outside organization.

The collection should contain all points of view, but that does not mean that all parts of the collection will result in displays. Again, displays in the library are marketing devices intended to significantly increase circulation and program attendance. This policy applies to Library display cases as well. For more information on Library Display Cases see the policy: Display Case (see infra).

Brochure Distribution

Page 1 of 1

Amended December 7, 2021

It is the policy of the Library to provide for brochure distribution near the Reference Desk and in Youth Services to distribute information of interest to patrons regarding area not-for-profit organizations, not-for-profit events, and information regarding matters of public health and safety. For the purpose of this policy, an event or organization is considered to be within the Library's "area" if it is within approximately 10 miles of Rolling Meadows.

Unauthorized items will not be distributed. The Library will periodically rotate items to keep the distributable items current and to accommodate the greatest number of items in the limited space available.

Page 1 of 1

Amended December 7, 2021

Page 1 of 1

Amended December 7, 2021

Canvassing, as defined by City Ordinance (Chapter 74), is prohibited in the Library building. Canvassing outside of the Library but on Library property requires the Executive Director's prior approval. Such canvassing will be approved if it is conducted at a reasonable distance from the front entrance of the Library and so long as it does not disrupt Library operations, impede patrons from entering or leaving the Library, or create unsafe traffic patterns on the Library's sidewalks or parking lots.

This policy does not apply to activities coordinated between the Library and the Friends of the Rolling Meadows Library or the Library and the City Of Rolling Meadows. In all such cases, however, prior approval must be obtained from the Executive Director.

Peddling & Soliciting

For-profit peddling and soliciting, as defined by City Ordinance (Chapter 74), by organizations or individuals is strictly prohibited on all Library property.

Not-for-profit peddling and soliciting of funds may only be conducted in the Staff Lounge of the Library after obtaining the approval of the Executive Director. In considering approval, the Executive Director will take reasonable steps to confirm the not-for-profit status of the individual or organization and ensure that the time, place, manner, and duration of the peddling or soliciting will not disrupt Library operations or the use of the Staff Lounge. Examples include, but are not limited to, Girl Scout Cookie Order Forms and Rotary Club Food Drive sign-up sheets.

This policy does not apply to programs or activities coordinated between the Library and the Friends of the Rolling Meadows Library, the Library and the City Of Rolling Meadows, or to speakers, authors, or performers appearing at the Library as part of a Library-sponsored program. In all such cases, however, prior approval must be obtained from the Executive Director.

LIBRARY MISSION STATEMENT

The mission statement of the Rolling Meadows Library guides the selection of materials as it does the development of services and allocation of resources. This statement articulates broad principles for library programs and services.

The mission of the Rolling Meadows Library is:

To provide excellent
customer service & information

in a variety of formats,
including library materials and programs that
Educate, Inform, Enrich, Inspire, and Entertain.

The library serves the citizens of
Rolling Meadows,

linking them with resources
throughout the World
& providing equal access for all.

MATERIALS SELECTION POLICY

The Materials Selection Policy has been adopted by the Board of Trustees of the Rolling Meadows Library to guide librarians and to inform the public about the principles upon which selections are made.

1. Books, audio-visual and other library materials are selected on the basis of literary, educational, informational, and recreational value. The Library Executive Director has ultimate responsibility for selection and purchase of materials and operates within the framework of policies established by the Board of Trustees.
2. Library print materials are selected for values of interest, information, and enlightenment of all people of the community. No title is excluded on the basis of racial, religious, or political prejudice. Titles are selected, within the limitations of the budget, on the basis of critical consensus among recognized subject authorities. Suggestions from patrons (Rolling Meadows residents and businesses) are encouraged and will be given due consideration.
3. The library approaches the selection process in a positive manner. It attempts to judge a work as a whole and not on its isolated parts. Objectionable language and vivid descriptions of sex and violence when dealt with within the context of a work will not, by themselves, require rejection of the work. Materials which are primarily pornographic or obscene according to local community standards, as interpreted by the Library Board, will not be selected.
4. The same principles of selection applied to purchases are also applied to donations.
5. The Library Board of Trustees will review written complaints concerning specific titles when necessary, and retention or removal of the title will be determined in accordance with Illinois law and collection development procedures.
6. The Library Board of Trustees has adopted the American Library Association's Library Bill of Rights, which states reading materials should not be removed or restricted because of partisan or personal disapproval.

Attached is a copy of "The Library Bill of Rights" and the "Freedom to Read" statement of the American Library Association, which shall serve as a resource for those librarians responsible for the selection of library materials.

RESPONSIBILITY FOR SELECTION OF MATERIALS

Ultimate responsibility for materials selection rests with the Library Executive Director who operates within the framework of policies established by the Board of Trustees. The Executive Director delegates to the Directors of Reference, Readers, and Youth Services for collection development and to promote consistency in the selection and maintenance of the entire materials collection. All professional staff members may participate in the selection of library materials.

WEEDING

In order to maintain an up-to-date, useful collection, worn and obsolete materials are continuously weeded. Materials may also be withdrawn if they are little used or superseded by a new edition or better work on the same subject. Depth and breadth of varying degrees are desirable in various areas of the collection. The Collection Development Policy serves as a guide for weeding and maintaining the collection as well as for the selection of materials.

Titles are withdrawn from the library's collection through systematic weeding by selectors or because of loss or physical damage. Materials which are withdrawn because of loss or damage are reported to the Directors of Reference, Readers, and Youth Services, as well as other professional staff members, who decide whether the item should be replaced using the same criteria as for selection. Other factors applicable when deciding on replacements include the number of copies of a title the library owns, the availability of newer materials on the subject, the importance of the work in its subject area, its listing in standard bibliographies, its cost, and space limitations. Audiovisual materials which are withdrawn will be replaced in most cases with new, popular titles, as these collections are designed to meet current interest.

Weeding identifies damaged items, ephemeral materials which are no longer used, out-of-date materials, extra copies which are not being used, and materials which are no longer appropriate for the collection. Weeding also helps evaluate the collection by identifying areas where additional materials are needed; older titles which need to be updated; and subjects, titles, or authors which are no longer of interest to the community.

Withdrawn materials will be released to the Friends Of The Rolling Meadows Library (hereinafter "Friends") for sale. Materials the Friends cannot sell or which they determine to be unsellable, will be disposed of by the Friends or donated by the Friends to other charitable organizations and educational institutions of their choice. The Library requests that the Friends give local charities and educational institutions the highest priority.

GIFT BOOKS

Gifts to the collection can be in the form of money or actual materials. Gift plates and letters of acknowledgment are appropriate stipulations by a donor, but other requirements should be evaluated carefully before the gift is accepted. All gifts become part of the general collection and should not require special circulation procedures. Gifts of books and other library materials are gratefully accepted by the Library with the understanding that they will be considered for addition to the collection in accordance with the Materials Selection and Weeding Policies. The Library reserves the right to sell or otherwise dispose of gift materials not added to the collection.

When a patron offers to donate books, magazines, or audiovisual materials to the Library, the following guidelines apply:

The Library will accept hardcover and paperback books, audiovisual materials and popular magazines if they are in good condition. Local history materials from Rolling Meadows are welcome. These gifts are inspected by staff or volunteers for odor, water damage, wear, and age. Appropriate material may be added to the collection, put in the Friends of the Library book sale or, if not in acceptable condition, discarded, or recycled.

The donor will receive a written acknowledgment of the gift. Library staff will not appraise the books or indicate a value in the acknowledgment letter.

RECONSIDERATION OF LIBRARY MATERIALS

A singular obligation of the public library is to reflect within its collection differing points of view on controversial or debatable subjects. The Rolling Meadows Library does not promulgate particular beliefs or views, nor does the selection of an item express or imply an endorsement of the author's viewpoint. Library materials will not be marked or identified to show approval or disapproval of the contents, nor will items be sequestered.

Comments from members of the community about the collection or individual items in the collection frequently provide librarians with useful information about interests or needs that may not be adequately met by the collection.

Patrons who request the reconsideration of library materials will be asked to put their request in writing by completing and signing the form entitled "Citizen's Request for Reconsideration of Library Materials". (attached)

Collection Development

Page 5 of 11

Amended February 19, 2024

Upon receipt of a formal, written request, the Executive Director will appoint an ad hoc committee including, but not limited to, the selector for the subject area of the item in question and the appropriate supervisory staff. The committee will make a written recommendation to the Executive Director who will then make a decision regarding the disposition of the materials. The Executive Director will communicate this decision and the reasons for it to the person who initiated the request for reconsideration at the earliest possible date. The Executive Director will inform the Board of Trustees of all requests for reconsideration of library materials and their disposition.

In the event that the person who initiated the request is not satisfied with the decision of the Executive Director, he/she may appeal for a hearing before the Board of Trustees by making a written request to the President of the Board. The Board of Trustees reserves the right to limit the length of presentation and number of speakers at the hearing. The Board will determine whether the request for reconsideration has been handled in accordance with stated policies and procedures of the Rolling Meadows Library. On the basis of this determination, the Board may vote to uphold or override the decision of the Executive Director.

SELECTION GUIDELINES

Selection is a discerning and interpretive process, involving a general knowledge of the subject and its important literature, a familiarity with the materials in the collection, an awareness of the bibliographies of the subject, and recognition of the needs of the community.

CRITERIA

Literary merit; enduring value; accuracy; authoritativeness; social significance; importance of subject matter to the collection; timeliness; popular demand; cost; scarcity of material on the subject and availability elsewhere; quality and suitability of the format; other considerations may be applicable in specific subject areas. Selectors should choose materials that will build a well-rounded collection which includes all viewpoints and opinions and which will meet patrons' needs.

TOOLS

Professional journals; trade journals; subject bibliographies; bookseller websites; publishers' catalogs and promotional materials; reviews from reputable sources; lists of recommended titles; and sales representatives for specific materials. Purchase suggestions from patrons are also an important source.

Collection Development

Page 6 of 11

Amended February 19, 2024

SCOPE

Materials selected for the Library collection are intended to meet the informational, educational, cultural, and recreational needs of the residents and businesses of Rolling Meadows. The scope of the collection is intended to offer a choice of format, treatment, and level of difficulty so that most individual library needs can be met and service given to individuals of all ages, within current budget parameters and constraints. The Library encourages the use of interlibrary cooperation to better serve the needs of its clientele by expanding available resources. The collection scope is intended to provide supplemental materials for individuals pursuing educational programs and a beginning point for those seeking more advanced information. The emphasis is on acquiring materials of wide-ranging interest to the general public. The collection is not archival, and is reviewed and revised on an on-going basis to meet contemporary needs.

FORMAT

Materials are purchased in the most appropriate format for Library use. Books are generally purchased in hardcover editions because of their durability. However, paperback editions may be purchased, and are preferred in cases where the hardcover is extremely expensive and the title would either be used infrequently or is of an ephemeral nature. Paperbacks are often purchased as added copies of popular titles to meet patron demand and as a part of the paperback collection. Library editions are purchased for heavily used titles in the Youth Services Department because of their durability.

Formats include print and audiovisual materials. The library recognizes the place of nonprint formats in the collection as legitimate educational and recreational resources for the community it serves. The Library monitors the development of new formats and, within budgetary and technical limitations, adds these to the collection.

TREATMENT

Treatment most frequently describes the style and, indirectly, the intended audience of a work: popular, scholarly, and humorous are some of adjectives used with it. Treatment may be appropriate or inappropriate for the subject and the intended audience, but it is something that is judged on a title-by-title basis. A variety of treatments is desirable for many subjects.

LEVEL OF DIFFICULTY

The range of difficulty starts with picture books and easy nonfiction, and progresses through graded readers to college level textbooks and beyond. Materials intended for professionals in a field are considered when general introductory and intermediate level materials exist in the collection, or when these levels are included in the same work.

Collection Development

Amended December 7, 2021

ARCHIVAL

Archival refers to the holding policies for part or all of the collection. At the Rolling Meadows Library, current usefulness is the determining factor in how long material is kept. There is no attempt to be complete in terms of historical coverage except with regards to the local history of Rolling Meadows. Old editions are withdrawn when new ones are received or when the contents are incorrect or out of date. No extraordinary effort is made to preserve or protect the last copy of any title in the collection.

THE
Library
BILL of RIGHTS

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- II. Libraries should provide materials and information **presenting all points of view** on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- III. Libraries should **challenge censorship** in the fulfillment of their responsibility to provide information and enlightenment.
- IV. Libraries should cooperate with all persons and groups concerned with **resisting abridgment of free expression and free access to ideas**.
- V. **A person's right to use a library should not be denied** or abridged because of origin, age, background, or views.
- VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such **facilities available on an equitable basis**, regardless of the beliefs or affiliations of individuals or groups requesting their use.
- VII. All people, regardless of origin, age, background, or views, possess a **right to privacy and confidentiality in their library use**. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

THE

Freedom to Read STATEMENT

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension.

Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions, and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended

discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.

We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

Legacy Project Policy

Page 1 of 1

Amended December 7, 2021

The purpose of the Legacy Project is to identify and honor volunteers who have made a significant contribution to the growth and maintenance of the Rolling Meadows Library. A secondary purpose is to bring the library's history alive for the public through the works of its most significant volunteers.

Volunteers include past and current Friends Of The Library, Board Members, and individual volunteers assisting departments and committees within the library.

Anyone can nominate a volunteer to receive Legacy Project recognition. A form will be made available in both print and on-line formats.

The Heritage Committee may identify up to three candidates each year for possible induction. Inductions will be made at the annual Volunteer Luncheon. A simple majority vote of the Heritage Committee, followed by a majority vote of the Library Board, will secure induction of a candidate. Unsuccessful candidates may be reconsidered for induction if they are re-nominated at a future time.

A framed poster approximately 12" x 18" will be permanently displayed in the library to honor each Legacy Project Inductee. The poster will include a photo of the inductee, the word "Volunteer" and designation of their volunteer type as "Friend", "Trustee", or name of the department they worked with. An electronic version of the poster will also appear on the library's web page for viewing by family and friends not residing in the Rolling Meadows area.

Library Closing: Weather

Page 1 of 1

Amended December 7, 2021

When the weather is bad, the most important issue is whether we can safely get enough Staff in to keep the public desks open. Staff not working at public desks should check with their supervisors to see if they can rearrange their weekly work schedules. Again, supervisors need to make the final decision on this, but if Staff isn't needed at public desks and they want to swap a day later in the week, it may be a good idea to allow this.

Things that DO NOT determine our Library's closing include:

1. **School Closings.** Schools close, in large part, because of bus routes and a concern that children not wait in severe weather for the bus. The closure of schools makes it more important that we stay open since there may be a lot of kids and parents with nowhere to go but the Library. Part of the public support we receive is due to the fact that we are available when other agencies are closed.
2. **Closure of Other Libraries.** Each library considers the number of local staff members it has, how easy it is for patrons to walk to the library, and whether a large percentage of its patrons are local (some larger libraries serving a regional clientele may find it less important to stay open). We are lucky in that a large percentage of our staff is local and many of our patrons come very short distances to get to the library. This allows us to operate when others must shut down. As long as everyone can get in and out safely, we will be open.
3. **Closure of Area Businesses or Malls.** Again, the commute time of employees of these businesses is important in their decision. For malls that rely on customers to drive from many miles away, the decision to close can make business sense but does not determine whether or not the library should close.

The Executive Director shall provide a report to the Library Board at its next regularly scheduled meeting, summarizing the dollar impact and reasoning for the change order. If staff becomes aware of a child under age 7 who is alone in the Library and who is unable to contact the child's parent, guardian, or other responsible person age 12 or older for transportation home, the child will be detained and turned over to the police for his/her own protection.

If a child is detained for his/her own protection, a minimum of two staff members will wait with the child until he/she is safely in the custody of the police. The Library will not transport children to and from the Library unless such transportation is part of a Library program approved in advance by the Executive Director.
