

Come check out this week's In-House Craft!
3-D Polar Bear

INSTRUCTIONS

3-D Polar Bear

(Look at the sample and picture for help)

1. Cut out the Polar Bear parts from template
2. Glue together according to instructions on template
3. Glue googly eyes on
4. On blue 'background', put some glue at the bottom
5. Sprinkle 'snow' on the glue
6. Use glue to attach 3-D Polar Bear to the blue background
7. Put snowflake stickers on.
